Hair

THE PHILOSOPHY

Smyth's hair is epitomised by the professional blend of cut, colour and condition, tailored to each individual client. Hair is our passion. With our expertise, we will guide you in to getting the very best look and feel for you.

At Smyth's we pride ourselves on customer service, as a valued client you will receive friendly, helpful and fully professional advice and attention. All consultations are complimentary, and we are happy to help and advise at any time.

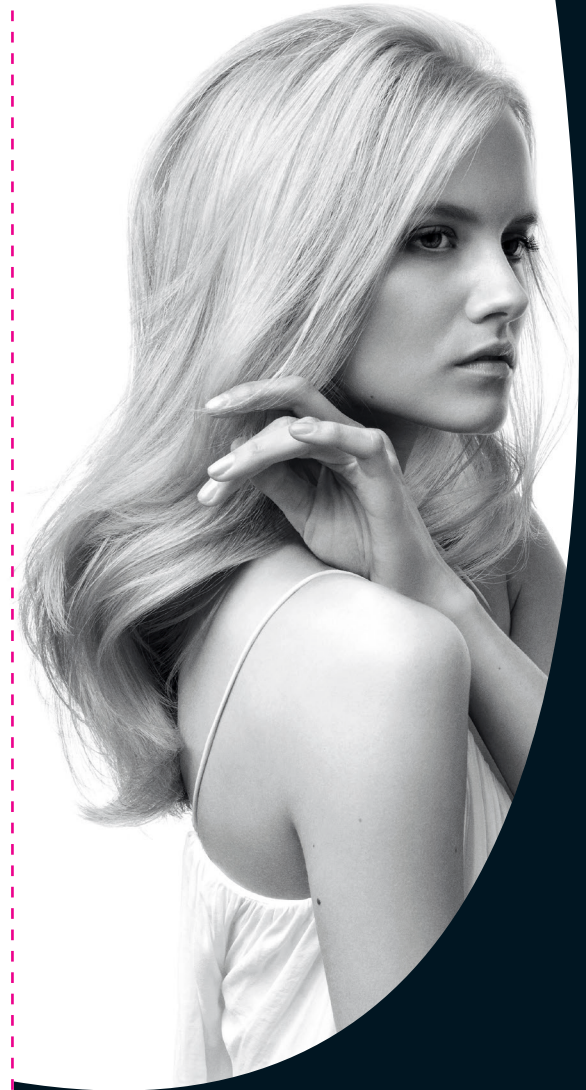

On going training is a must for us, as we like to keep our techniques current and fresh, so we can always bring new ideas to suit you. We use a selection of personally chosen professional products that we believe to be the best in the industry.
